Carrie, Pam and Peter will attend

August 15 mushroom walk and talk led by Julia Bonafine.

Location will be put in the Times

Weezie, Carrie, Chris will attend

4- Wildlife Road Crossings-

Linda suggested that SCC select 1 mile road sections to be monitored 3 times per winter.

Weezie is working to identify landowners along the 103 section that SCC

would like to monitor for wildlife crossing with the game cameras

Review of maps to determine focus areas for wildlife crossing study.

Perhaps the area near the junction of Upper and Lower Cold River Roads (near the Brown Bridge). We selected 12 areas.

5- Invasives-

Shrewsbury SCC is getting some statewide recognition about its efforts with invasive removal- especially Pam.

Rutland Regional Planning Commission asked for (and received from Weezie) a report about recent SCC activities

Knotweed- Andy has been working by Pierce's and by the Brown Bridge. He has been stomping it down. It will be a several year process. Andy will email for volunteers as needed.

Poison Parsnip-

We looked at Pam's parsnip map. Next focus is the patch on Violet Page Rd. Weezie described how she pulls as she drives about town.

6- Green Mountain Power Utility Line-

no new information at this time

7- Gaynor Road -

no new information from the Select Board

8- New Business

pollinator project- no information at this time
