Welcome Bags

Lisa Sausville met to discuss bags with Weezie. Some of the materials have been funded by a grant. Discussion of how the bags should be distributed- for all, only for those with larger parcels? Weezie reviewed all of the bags' "goodies". Consideration of 2 bags- one for larger land owners, one for smaller parcels.

We will keep working on this project.

Liability Waivers

review of other town waiver policies
land owners have little liability in State of Vermont
Chris will check with the Town as to its insurance

Class 4 Road working group update

Gaynor Rd. is the last class 4 road to survey. Thursday, Sept 15, 1 pm

Wildlife Road Crossing Project

Linda is working on this. Jens Hilke has contacted Linda and Weezie and they are working with him. This is a learning year.

Walks and Talks

Harvest Moon Walk was lovely! Cynthia will send thank you note to Jim Khale (telescope) and the Braceys

Weezie is proposing a fern walk next year

Invasives-

should SCC purchase dump tickets for disposing of pulled invasive matter?
Weezie motioned, yes, Chris seconded, approved

4- New Business

Tinker Brook

Weezie got a call of concern regarding logging in this area (old growth forest?) in Plymouth Logging Program- Wed., Sept 28 at 6:00 at Rutland Free Library

Jockey Hill Bird List

Linda shared that eBird is a free app from Cornell. Good for data gathering, recording finds
