

Unapproved Minutes SCC
March 15,2022 5:15 pm Virtual

Louise Duda, Carrie Clancy, Chris Clarke, Peter Grace
Guest: Linda Shelvey

Minutes from February 8,2022 reviewed and approved. Last names should be included on attendance

Treasurer's report No Changes

Green Up – No changes this year. Raffle is a good incentive to get people to turn garbage back into the dump that day (as transfer station folks have concerns about bags brought in later. Much of April's meeting will be on handling the details) Weezie will contact Connie (away) to remind her of TIMES deadline and Grace's advertisement Carrie has the raffle tickets. Weezie will contact Bert again to discuss concerns about late Green Up bags coming in after Green up and personal garbage and tires turned in. Next year, plan in DECEMBER so school can be involved – possible youth member to help with this.

Pollinator Project – Pierce's not interested in a garden next to the store but possibly across the street or down across from Wilson house. More discussion on their board in the future. Carrie reports the school has plans in the work for renewal of their garden. Not sure they will be willing to tackle additional space but will continue to measure interest going forward.
Questions – Who takes care of the gardens once planted? How much sunlight is required?

Organize goal brainstorm list for next meeting – we realized several new goals were actually follow up items on ongoing projects. We simplified and clarified the list for discussion at April's meeting.

New Business – Should we initiate the adoption of a Youth SCC Member?

Meeting adjourned 6:00pm

Next Meeting April 12 at 5:15 pm Virtual – same Google link
