

UnReel at Shrewsbury Meeting House, Friday July 28 @ 6PM

Graham and Camille Parker have long provided fiddle, mandolin, and stirring vocals for Vermont's favorite Celtic band, Gypsy Reel. Now they've teamed with singer-songwriter and storyteller Jon Clinch for an all-new project — UnReel. The band focuses on original songs, traditional material, and classic Americana. And for this event, they'll be joined by percussionist and shantyman Reagh Greenleaf, Jr. on vocals and bodhran. With deft guitar work, sweet fiddle, impeccable harmonies, and infectious rhythms, UnReel will break your heart while raising your spirits!

Please bring a \$ contribution in any amount to support the musicians and the historic Shrewsbury Meetinghouse. Our listening audience is our ONLY sponsor! Payment options are by cash, check or Venmo...details at the concert.

Our wonderful food vendor for the evening is Marble Valley Kitchen, with delectable choices for both veggie and meat eaters, beginning service at 5:30. See the menu below!
