7:00 to 7:15 p.m.      Open to public input

Following public input:

1. Call to order

Meeting called to order at 7:05

Attendees: Laura Black, Connor Self, Ryan Fitzbeauchamp, and Melissa Reichert. Chris Clarke, Pam Darrow, Linda Shelvy, Adrienne Raymond, and Mark Goodwin for facilitator dry run.

2. Approval of agenda, review and/or revision

Agenda approved as presented.

3. Community Values Mapping project

- Facilitation dry run

We reviewed the introduction and powerpoint, and had some suggested changes as follows:

--The Introduction should include a description of the Town Plan and its purpose. Laura will edit and finish the Introduction and present it at 4/23 meeting.

--Add a slide with the agenda when we get it finalized

--Change the Community Values slide to remove the mowing part and make it clearer

--Add a slide with the finished map products from other towns

The facilitators went through the mapping exercise. There were questions about the scenic value and how to mark it. Melissa will work on a way to make this clear.

Melissa will send facilitators list of value topics. We will also send updated Agenda, and send link to recording.

Conner will revise the agenda to not have the report out.

We need to figure out a close out for the meeting. At the end, (propose that) facilitator stay at table, Laura give closing remarks and invite anyone else to share their observations.
