Meeting called to order at 7:05

Attendees: Laura Black, Connor Self, Ryan Fitzbeauchamp, and Melissa Reichert. Cynthia Thornton, Tim Stout, Michelle Greene, Peter Grace, Pam Darrow, and Mark Goodwin for facilitator dry run.

2. Approval of agenda, review and/or revision

Agenda approved as presented.

3. Community Values Mapping project

- Facilitation dry run #2

Laura went through the introduction and powerpoint.

A concern was raised about the slide that says this is not tied to regulation. We will remove the slide on regulation and redo this. The language that Laura used about the Town Plan was considered helpful. Laura is going to bring 11X 17 town Plan Maps for the tables. We will bring more value group sheets for the tables as well.

We need a slide that describes how to mark the scenic values – viewpoints, viewsheds and scenic areas. A larger yellow markers for the viewsheds was suggested.

- Update on community group contacts

Laura met with Fire Department, Ryan tried to contact snobirds with no response, Melissa contacted SAGE, and Laura contacted Green Mountain Neighbors.

- Snacks – Cookies, fruit, Juice, ice tea, maybe coffee.

- Child Care

We will have child care available, that will be announced in the Betsy Jesser email and on the town signs.

- Review To Do list

Melissa will prepare the name tags and table labels.

- Any other items

We will get there an hour early. Laura plans to go in the morning and Melissa will go on Thursday night to check what is available at the meeting house for the snacks. We need to revise the powerpoint to address the regulation issue.
